

Beta Sigma Psi Educational Foundation 2022 Scholarship Application

ACADEMIC ACHIEVEMENT

INSTRUCTIONS

The Beta Sigma Psi Educational Foundation annually awards scholarships to Beta Sigma Psi Active and Associate Members. Scholarships are awarded in three categories: Scholastic Achievement, Financial Need, and Community Involvement. You may apply in all categories, though no applicant will receive more than one scholarship.

The recipients and dollar amounts of the scholarships are annually determined by the Foundation's Board of Directors.

All applications and letters must be POSTMARKED by January 31, 2022. All applications require the signature of the Active Chapter Treasurer, and either a campus or hometown church pastor. Scholastic Achievement and Community Involvement applications require a letter of reference. Financial Need applications require a pastor or church worker to complete part of the application. Letters of reference must also be postmarked by January 31, 2022 and sent directly by the person submitting the reference. If we do not receive a letter of reference for your application or all signatures are not complete, your application will not be considered. It is your responsibility to ensure that letters of reference are completed and returned.

Scholarship recipients will be chosen by March 15th. Recipients will be notified via e-mail. Please include your e-mail address on your application. All scholarship proceeds will be paid directly to your university during the fall semester and applied toward future tuition. Please include your Student Identification Number and the contact address and telephone number of your University Financial Aid/Bursar's Office on your application.
